

**PUT THE SPARKLE BACK IN YOUR ROMANCE:
SPEND A WEEKEND AT THE ART COTTAGE**

What's your idea of romance? Wining, dining, relaxing? Taking a whirlpool bath? Privacy, beauty, luxury? Rediscovering *amour*? You'll find all these amenities when you escape for the weekend to The Art Cottage in Nevada City.

The vibrant-colored tile work as you enter the garden radiates the house's character. Bamboo surrounds the garden and provides privacy. A 300-foot-tall pine creates an atmosphere for relaxation with adirondack chairs beneath it.

No detail is neglected. Over the whirlpool spa in the master bathroom is a hand-painted, one-of-a-kind mural created by a local artist. The fern-filled shower brings in the outdoors. The skylights bathe the room with a calming effect.

The warm sunny colors of the master bedroom blanket you in a subdued, peaceful light, producing an intimate and mysterious feeling in this sensual room, inviting you to rest and dream. At night you'll see thousands of stars.

Reflecting its name, The Art Cottage is filled with both folk and contemporary art, surprising guests at every turn, creating a one-of-a-kind experience. Harmony abounds. Rejuvenation occurs.

Drive or walk to nearby historic and quaint Nevada City. Dine at any number of fine restaurants. Shop at wonderful art galleries and specialty shops. Have an after-dinner sweet at a late-night cafe. Enjoy live theatre at several venues in town, or take in a movie at an 1800s-era theatre. Dance to live music at a bar. Or stay at "home" and cook a gourmet meal indoors or on the barbecue outdoors. Bring that DVD you've been wanting to watch or watch one of the unusual art movies provided. Brew your morning coffee and relax on the patio.

Often, we forget about the meaningful things in life. Our pace becomes too hectic, and the spark of love disappears. Plan your rejuvenation weekend together at The Art Cottage—a getaway you won't forget: private, elegant, beautiful, quiet and a good value—all hard-to-find qualities in one great package.
